Pharmaceutical Manufacturer:

All manufacturer oral clinical presentations for drugs included on the PDL will take place on June 10, 2015, prior to the P&T Committee meeting. Presentations will be scheduled by drug within each therapeutic class and will be limited in time. No special request for a specific time can be guaranteed.

A list of therapeutic classes to be reviewed and additional information are posted to the ODM website: <http://medicaid.ohio.gov/PROVIDERS/ProviderTypes/TheOhioMedicaidDrugProgram/PharmacyandTherapeuticsCommittee.aspx>.

In order to be placed on the schedule to make an oral presentation concerning products that are included in the PDL, **this form must be returned no later than May 1**. Requests received after this date will not be accepted. This includes requests that may be delayed due to technical difficulties. An email will be sent as confirmation of receipt. If confirmation has not been received within 1 week of submission, please inquire. Manufacturers will not be considered for "interested party" presentations for the June 10, 2015, meeting. This form is the only opportunity for manufacturer presentations related to the PDL review at the June 10, 2015, meeting.

This form should be returned to Margaret Scott via email ([Margaret.Scott@medicaid.ohio.gov](mailto:Margaret.Scott@medicaid.ohio.gov)). A scheduled time will be determined and shared with manufacturers by May 22.
