This report depicts an unduplicated count of Medicaid eligibles, by Recipient Eligibility County, using the most recent active Aid Category span for the recipient within the current month (i.e. the September 2013 report is based upon the file as of September 30, 2013).

This report is a point in time report and is generated on the last day of the month providing counts for the current month only. Due to the 'point-in-time' methodology, this report may not match similar reports which could be based upon alternate methodologies (such as including retroactive or backdated eligibility) or different dates of report generation.

\* An active aid category not mapped to any of the listed aid categories.

\*\* Records not coded to any of the 88 counties. Also, with the addition of portal-based enrollment and counties consolidating administrative offices, records may exhibit a lag in mapping.

Report Date 11-3-14
